### CONDITION OF TRADE.

Commercial Institutions Undisturbed by Speculative Collapse.

New York, Aug. 1.—Further evidence of the solid basis upon which legitimate trade is established has been furnished by the equality with which commercial and financial institutions regard the recent speculative collapse. There is no indication that the brokerage failures or the severe decline in prices of securities were extensively felt outside of Wall street. Much more harm has been done to the country's manufactures and trade by the inflated prices of cotton than by the depression in stocks.

Reports are almost unanimous as to the heavy distribution of merchandise, and this is shown statistically by the increase in railway earnings thus far reported for July, 12.5 per cent over last year's and 23.1 per cent above 1901. As the farm products begin to move there are signs of pressure on transporting lines, although no serious reports of delay emanate from any section except the southwest, where facilities were damaged by floods.

Liabilities of commercial failures thus far reported for July amount to \$8,750,980, of which \$5,167,255 were in manufacturing, \$2,780,990 in trading and \$790,741 in other commercial lines. Failures this week were 190 in the United States against 193 last year and nineteen in Canada compared with eighteen a year ago.

### The Alaskan Boundary.

London, Aug. 1.—Senator Lodge has completed the preliminary arrangements for the meeting of the Alaskan boundary commission. He has luncheon with Premier Balfour and will dine with Colonial Secretary Chamberlain. The commission will probably assemble at the foreign office.

To Study Philippine Microbes. Ann Arbor, Mich., Aug. 1.—Charles B. Hare has accepted the appointment of government bacteriologist in the Philippines at a salary of \$1,500. He is the young man who contracted the bubonic plague while working in the laboratory of Michigan university with Dr. Noog.

Dr. Wood's Norway Pine Syrup seems especially adapted to the needs of the children. Pleasant to take; soothing in its influence. It is the remedy of all remedies for every form of throat and lung disease.

Ten thousand demons gnawing away at one's vitals couldn't be much worse than the tortures of itching piles. Yet there's a cure. Doan's Ointment never fails.

Burdock Blood Bitters gives a man a clear head, an active brain, a strong vigorous body—makes him fit for the battle of life.

Croup instantly relieved. Dr. Thomas' Electric Oil. Perfectly safe. Never fails. At any drug store.

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. Per order Union 451, Carpenters and Joiners of America, S. R. Doy, Sec.
